This matter has been referred for general pretrial purposes and dispositive motions to Magistrate Judge James L. Cott. Dkt. No. 10. On February 5, 2024, Judge Cott issued a Report and Recommendation, recommending that Defendants' motion for summary judgment be denied. Dkt. No. 47; *see also* Dkt. No. 39 (motion). On February 20, 2024, Defendants filed what appears to be improperly labeled on the ECF entry as a new motion for summary judgment. Dkt. No. 48. The document itself is titled "Memorandum of Law in Support of Defendants' Objection to Report and Recommendation on Defendants' Motion for Summary Judgment." *Id.* at 1. Accordingly, the Court understands Defendants' February 5 submission to be an objection to Judge Cott's February 5, 2024 Report and Recommendation. Plaintiff may respond to Defendants' February 20, 2024 objection by March 5, 2024. *See* Fed. R. Civ. P. 72(b)(2).

The Clerk of Court is directed to terminate the motion pending at Dkt. No. 48.

SO ORDERED.
